My favorite quotes

Love

I love it when you look at me and smile.

I love sleeping. You don't spend any money and you don't miss anyone.

FRIENDS

Real friends gonna tell you the truth even if it hurts.

Best friend

MY BEST FRIEND IS ALL I NEED WHEN I'M SAD.

I miss you more than what you think.

I didn't change, I just grew up.

don't

1. 2020 is in 3 months, don't let anybody waste your time.

2. don't worry, the right ones won't leave you.

Near bed you're my true love.

Some people will ignore you until they NEED you.

Sun is alone too, but still shines.

IF YOU CAN STAY POSITIVE IN A NEGATIVE SITUATION, YOU WIN.

Four aspera ad astra

When adults say, "Teenagers think they are invincible," with that sly, stupid smile on their faces, they don't know how right they are. We need never be hopeless, because we can never be irreparably broken. We think that we are invincible because we are. We cannot be born and we cannot die. Like all energy, we can only change shapes and sizes and manifestations. They forget that when they get old. They get scared of losing and failing. But that part of us greater than the sum of our parts cannot begin and cannot end, and so it cannot fail." - Looking for Alaska by John Green.
